NOTES FROM HIGH POINT.

The Local News from Our Neighbor
Briefly Told.

TELEGRAM BUREAU.
HIGH POINT, N. C., Feb. 10, '98.
The young people of High Point are
looking forward with much pleasure to
a candy stew, which will take place
tonight at the residence of Mr. L. J.
Ingram on Alexander street.

The policeman had a hot time here
yesterday. Three negro women of
Salisbury were drunk and disorderly
on the street. Chief Bennett had a
lively scuffle before he could get them
locked up. During the encounter
Chief Bennett and Sheriff Crouch were
badly bitten by one of the women and
then when they were taken out to have
the trial, Policemen Burns and Joe
Hoffman were bitten by the same one.
They had a hearing before Mayor
Bradshaw. They were all bound over
to court and unable to give bond,
they were carried to jail by Chief
Bennett and Doph Horney. They
tied them hand and foot and took
down to Greensboro through the
country.

W. J. Armfield, Sr., went down to
Asheboro today on business.

W. T. Parker, of Archdale, passed
through this morning enroute to Win-
ston.

Miss Minnie Coltrane, of Randle-
man, who has been visiting her sister
here Mrs. Dr. Stanton, left this morn-
ing for her home.

A Change of Date.

A change of dates has been made for
the Dramatic Club which appears in
Danville. The Register says:

A change in dates has been made for
the performance soon to be given in
this city, from February 14th and 15th
to February 17th and 18th, by the
Greensboro Dramatic Club.

All persons who have already pur-
chased tickets are assured they will be
good for the new date and the ladies
and gentlemen who have tickets for
sale will notify all purchasers that
"The Diplomats" will be played on
Thursday, February 17th, and "Our
Boys" on Friday, February 18th.

As said before, these plays are for
local charities—The Danville Library
and the Home for the Sick.

Saw Deputies Shoot.

By Wire to THE TELEGRAM.

Wilkesbarre, Feb. 10.—Only one-
third of the prosecution's witnesses in
the trial of Sheriff Martin have been
examined. Daniel Ferrell testified that
he saw the deputies shooting at the
fleeing miners. Moritz and Engleman
could not swear that none of the de-
puties had clubs.

Favors Thorpe.

By Wire to THE TELEGRAM.

Washington, Feb. 10.—Gen. Walker,
of Virginia, presented the report of
the elections committee in the con-
tested case of the Fourth Virginia dis-
trict. The report is in favor of Thorpe
and against Epps.

The Zola Trial.

By Cable to THE TELEGRAM.

Paris, Feb. 10.—The examination of
Trarieux, former Minister of Justice,
was completed in the Zola trial today.
Mayor Paty refused to reply to ques-
tions relative to M. Comminges.

State Senator Dead.

By Wire to THE TELEGRAM.

Wilmington, Del., Feb. 10.—State
Senator Robert J. Hanby, who has
been prominent as a leader in the Ad-
dicks faction of the republican party,
died suddenly this morning.

Found Hanna Guilty.

By Wire to THE TELEGRAM.

Cleveland, O., Feb. 10.—It is re-
ported that the senatorial investigating
committee has found Senator Hanna
guilty of attempted bribery. The re-
port cannot be confirmed.

The Verdict Bad.

By Wire to THE TELEGRAM.

Chicago, Feb. 10.—The Luetgert ver-
dict is generally accepted as bad. It
should be conviction of murder in the
first degree or acquittal. A new trial
is expected.

Luetgert Guilty.

Chicago, Feb. 9.—Adolph L. Luet-
gert was tonight convicted of the mur-
der of his wife, and was sentenced to
imprisonment for the term of his nat-
ural life. Luetgert received the ver-
dict with a laugh.

TO RECALL HIM IN DISGRACE.

DeLome's Government Refuses
His Resignation.

PRESIDENT DEMANDS HIS RECALL

His Admission of Guilt Followed by
Prompt Action at Washington—
English View of the Situation.

By Wire to THE TELEGRAM.

Washington, D. C., Feb. 10.—The
Spanish government has not accepted
DeLome's twice cabled resignation.
Premier Sagasta notified Minister
Woodford today that DeLome will be
recalled in disgrace in order to humili-
ate him. Woodford was cabled from
Washington to notify the Spanish
government that DeLome must leave
the country in a hurry or this govern-
ment will not be responsible for his
safety.

THE PRESIDENT'S DEMAND.

It was officially announced at the
white house this morning that the
president had demanded the recall of
Minister DeLome. The president has
received assurance that his demand
will be complied with by Spain.

AN ENGLISH VIEW.

London, Feb. 10.—The St. James
Gazette says this afternoon that for
DeLome to resign was the proper
course whether he wrote the letter or
not. That the incident was bound to
create unpleasantness between the
two governments and add to the
chances of trouble with Cuba which
are by no means few as certain author-
ities profess to believe.

DELOME NOT NOTIFIED.

Washington, Feb. 10.—By noon
DeLome had not received any accept-
ance of his resignation.

WOODFORD'S INSTRUCTIONS.

The state department gave out the
communication sent to Minister
Woodford yesterday. It is as follows:
There appeared in the public prints a
letter addressed by Minister DeLome
to Canalejas. The minister admits he
wrote it. It contains expression con-
cerning the President of the United
States of such a character as to end
the minister's usefulness as a repre-
sentative to his government here. Say
to the minister of state that his im-
mediate recall is expected by the presi-
dent.

RESIGNATION ACCEPTED.

Madrid, Feb. 10.—De Lome's resig-
nation was accepted by the cabinet to-
day.

TO FIGHT WITH LEFT HANDS.

Thomas E. Moore Issues a Challenge
to Desha Breckinridge.

Lexington, Ky., Feb. 9.—A political
sensationalism is caused by the publication
of a letter from Col. Thomas E. Moore
of Bourbon county, leading silver
democrat, denouncing Desha Breckin-
ridge, son of Col. W. C. P. Breckin-
ridge, editor of the Herald, and sug-
gesting a duel to settle their differ-
ences.

Col. Moore is an ex-confederate,
and is paralyzed in his right arm. He
suggests that both use left arms. The
feelings between the men was engendered
in the Breckinridge-Owen con-
gressional contest four years ago.
Colonel Moore was recently suggested
as a penitentiary commissioner and
the Herald ridiculed him. This led to
the challenge. Breckinridge is in
Frankfort and will probably answer
Colonel Moore. Colonel Breckinridge
declined to discuss the challenge.

COUNCILMEN SENT TO JAIL.

Judge Tarvin Ordered His Court
Repaid—and They Wouldn't.

Cincinnati, Feb. 8.—Judge Tarvin,
this evening, at Independence, Ky.,
sent to jail indefinitely for contempt
the seven city councilmen of Covington,
who compelled him to move his
court eleven miles by refusing to re-
pair and refurnish the dilapidated cir-
cuit court room in Covington. First
he gave them another chance to purge
themselves by promising to obey his
order. They still refused.

Thirty hours is the limit for con-
tempt of court, but it is believed that
Judge Tarvin will resentence the coun-
cilmn again and again unless they
repent. They are among the most
prominent citizens of Covington, two
paying taxes on real estate valued at
\$300,000.

Notice.

It is urgent that State and county
taxes be paid at once. The money is
needed to meet current expenses and
state taxes. Will advertise land for
taxes soon. Fair warning to all.
Very Respectfully,
J. A. HOSKINS, Sheriff.

DEATH OF A CHILD.

The Exposition Car Draws Large
Crowds in Winston.

Special to THE TELEGRAM.

Winston, N. C. February, 10.—
Little Shannon, the one year old
son of Mr. and Mrs. E. S. Gray, died
last night at 10:15 o'clock of bronchial
pneumonia. The child had only been
ill since the day before and the parents
thought not seriously. The family
was wholly unprepared for it, believ-
ing that the sickness could not be
fatal. The funeral services take place
tomorrow at 10 o'clock. The family
has the sympathy of the city in their
bereavement.

The North Carolina Rolling Exposi-
tion "City of Charlotte", draws large
crowds of people and all express them-
selves in admiration of the taste dis-
played, the evident exhaustive search
after the products of the state and the
ideas underlying the whole enterprise.
They go to Greensboro Saturday.

The young man Hester who damaged
the car to \$800 extent, by cutting one
its sides will be brought here today for
trial. The managers say that they
have been damaged throughout the
state by similar cuttings \$1,800. To
repair this will take a month they tell
me.

SETTLE WILL RUN AGAIN.

But Kitchen Will Repeat the Drabbing
Given Him in 1896.

Tom Settle, who has been here this
week, is flouting himself for another
fight Congressward.

He was defeated in 1896, after serv-
ing two terms, by Mr. W. W. Kitch-
en. This drubbing will, if indications
count for anything, be repeated next
campaign.

In addition to the hard times and
the general disgust with fusion there
is a colored Richmond in the field. He
is Dr. J. E. Shepherd, at present chief
clerk in the office of Recorder of Deeds
Cheatham in Washington. It is said
that a short residence at the national
capital has so swelled the young doc-
tor's head that he imagines he is built
of Congressional timber, and he pro-
poses to exhibit the timber to his
friends and receive their verdict
whether his own estimate of himself is
correct.

So like all the modest candidates he
announces that he is "in the hands of
his friends." Young Settle had a
taste of congressional life in the fifty-
fourth congress, and though retired
by Mr. Kitchen in the fifty-fifth con-
gress still has aspirations. He will
contest with Dr. Shepherd for the
nomination and will probably find no
difficulty in wiping up the earth with
him.

Mr. Kitchen is a candidate for re-
election. He defeated Mr. Settle in
1896 by a vote of 19,082 against 18,639
for Settle and 507 for Dalby, populist,
which makes the district fair fighting
ground between the two parties.
Though Mr. Kitchen is much stronger
in the district now than at the last
election.—News and Observer.

ARMOUR SPIES LEITER'S CHECK.

But a Deposit of \$6,000,000 Dwarfs
the \$1,000,000.

Chicago, Ill., Feb. 8.—In a wheat
settlement yesterday Leiter gave one
of Armour's brokers a check for
\$1,000,000 on the Illinois Trust and
Savings Bank, of which Armour is a
director and the largest stockholder.

When the check came into Armour's
hands he rushed to the bank and said
to the president and cashier, who were
together: "What the deuce do
you fellows mean by opening an ac-
count with Leiter and lending him
money on security? Don't interrupt!
I don't care if they were gilt edged or
not. You are lending him money to
fight me!"

The cashier replied: "Just before
the bank closed Saturday Leiter de-
posited \$6,000,000 and, of course, we
are always ready to receive deposits."
Armour gasped and all he could say
was: "Well you don't say so?"

Buried in a Well.

A Lexington special to the News &
Observer says:

Today about 10:30 a. m. while en-
gaged in deepening a well two col-
ored men, Jeff Holmes and Ed Cul-
verson, were buried beneath ten feet
of brick and earth.

Without warning the well gave way.
The bodies have just been discovered
at this hour after eight hours of hard
work. The body of Culverson was yet
warm, but both were dead.

To Pension Joel Savage.

Washington, Feb. 9.—Representa-
tive Kitchen today by request intro-
duced a bill directing the secretary of
interior to place the name of Joel
Savage, of Halifax county, on the
pension roll. Savage is a veteran of
the Mexican war.—News and Observer.

A HORRIBLE HOLOCAUST.

Seventeen Bodies Recovered From
the Ruins.

FIRE IN PITTSBURG THIS A. M.

Thought That Twenty-Five Lives
Were Lost—List of Those Found
up to This Afternoon.

Correspondence Telegram.

Pittsburg, Pa., Feb. 10.—At day-
break this morning the firemen were
still working over the ruins of last
night's fire. It was said to be several
hours before a systematic search for
the missing could be made. By that
time ten bodies had been recovered
and it is positively known that two
more are in the ruins. The dead: J.
Berry, a policeman; W. M. Scott,
son of the president of Chataqua Ice
Company; Mrs. Mary Sipe, aged 50
and her mother, aged 74; Daniel
Maloney, a Michigan iron worker;
William Fleming, an iron worker of
Columbus; Stanley Sipe, sixteen; John
Scott, Robert Rosemond, lieutenant
of engine company No. 2; David
Loveless, Thomas Lynch, ice man;
Edward Barry, watchman. The in-
jured number 18 or 20, including many
firemen. Superintendent Brown of
the bureau of building inspection had
both legs broken. The principal losers
by the fire are the Chataqua Lake
Ice Company, the Union Storage Com-
pany, the Alleghany County Light
Company and the Schevartzschild and
Suesberger Beef Company.

Later—Three more bodies were re-
covered from the ruins at eleven
o'clock, making seventeen thus far
recovered, several being unidentified.
It is now thought that the number of
dead will reach twenty-five. The loss
will aggregate \$2,000,000.

WET THE PAINTERS DOWN.

Didn't Like the Color They Were
Putting on the House.

Newburg, Feb. 8.—Henry R. Horton
of 88 Wickman avenue, Middletown,
was taken before the authorities this
afternoon on a unique complaint. Hor-
ton's neighbor, Thomas Watts, a law-
yer, employed men to paint his house.
Horton says he asked Watts to paint
the side next to his residence a light
color.

Watts told Horton he would put on
any color he saw fit. This afternoon
two painters were on a swinging scaf-
fold taking advantage of the mild
weather to earn a dollar and paint
Mr. Watts' house the color he wants
it, when Mr. Horton appeared sud-
denly upon the scene, and although
there was no fire and water was cold,
he turned his hose on the two painters
and gave them a thorough drenching.
Work immediately ceased and the
painters at once lodged complaint
against Horton.

Leander Brink, who employs Hor-
ton, went to court with him and
advised him to wet 'em again if they did
not desist.

OUR PLACE IN FOREIGN TRADE.

Germany Has Made Us Third in the
List.

Washington, D. C., Feb. 8.—In ten
years the United States, which oc-
cupied the second place among nations
in foreign trade (meaning imports
and exports combined), has fallen off
to third place and Germany has passed
her in the race for supremacy now
held by England.

United States Consul Covert, at Ly-
ons, gives the figures in a report he
makes to the state department, devoted
to questions from the address deliv-
ered at Lyons by M. Jules Rochee,
former minister of finance and com-
merce. During the period of ten years
the commerce of England augmented
35 per cent., that of Germany 46 per
cent., and that of the United States
14 per cent., while France fell off 3 per
cent.

MUST WEAR MORE CLOTHES.

Park Commissioners Object to Scanty
Clad Cyclists.

Chicago, Feb. 9.—Riders in bicycle
road races over any portion of the
West Park system will have to wear
more clothing than formerly.

Commissioner Wilson succeeded in
getting the approval of his fellow-
commissioners to pass a resolution
regulating racing permits.
The commissioner, in his demand
that bicycle riders do not shock a
sense of decency, offered to donate a
prize to the value of \$100 to be given
to the rider wearing a full suit of
clothes who finishes among the first in
the big annual races.

RATE WAR WAXES.

The Illinois Central Will Add to the
Galety.

By Wire to THE TELEGRAM.

Chicago, Feb. 10.—The Illinois cen-
tral has finally taken a hand in the
four rate war. The announcement
was made today of a reduction in the
rate from Chicago to New Orleans of
four cents. The low rates of today
practically effect every point east,
southeast and the south, and indi-
rectly the southwest. Never before
was flour carried so cheaply.

KARL DECKER IN CUBA AGAIN.

Newspaper Correspondent Lands from
American Yacht Buccaneer.

Havana, Feb. 9.—The American
yacht Buccaneer, which has several times
entered this port without health or other
papers, flying the colors of the Union
Yacht Club, is understood to have
landed Karl Decker, the Journal and
Advertiser correspondent, at an insur-
gent camp. The yacht carries a small
gun, and it is reported she also has
arms and ammunition on board. The
Buccaner was shadowed last night.

According to information obtained
from Spanish sources, a detachment
of Spanish troops has routed an in-
surgent force in the Sancti Spiritus
district of the province of Santa
Clara.

Express Jumps the Track.

By Wire to THE TELEGRAM.

New York, Feb. 10.—The Atlantic
Express, on the New York Central rail-
way, was thrown from the track on the
steel viaduct while entering the city
this morning. The accident was
due to a broken cylinder head. No one
was injured.

AS TO THE WATER-WORKS.

The statement is made that a great many citizens will vote against the issue of bonds to extend the sewerage system unless such an issue provides for the purchase of the water-works also. Taking this as a separate proposition it is perhaps unfortunate.

The Telegram has contended all the while that both the water and lighting plants should be owned by the municipality. We are not antagonizing the purchase of the water-works. But we point out that no move in the direction of such purchase has been made. Are all matters, sanitary and otherwise, to be postponed against the day of a possible purchase of the water-works?

If an ordinance were passed allowing a vote upon the proposition to purchase the water-works it would be well. It would be good business to make such purchase at this time. If the company refuses to sell, the city can, we believe, under a decision of the supreme court have the plant condemned and sold for its real value.

Those citizens, therefore, who say they will vote against the bond issue unless it is for such an amount as will enable the city to purchase the water-works should ask the board to have the other proposition submitted to a vote at the same time.

So far as the amount of bonds required to purchase both is concerned the city can easily afford to vote it. It is not at all a question of the wisdom or expediency of purchasing but of how large an amount the voter will favor. Undoubtedly the time is ripe for the city to gain control of certain important franchises that have been granted to private companies. They will become more and more valuable as time passes.

What stand does the Industrial and Immigration Association propose to take in this matter? The Association has done more than any other one factor to aid the development of the city. Any action it might take would receive attention and carry weight. Does the Association favor or oppose the bond issue?

As well expect to be able to shoot off the horns of the moon with a pop-gun as to make a southern negro voluntarily vote the democratic ticket.

Congressman Linney. Is the "Bull of the Brushies right in his estimate of the negro? It is true that his political shackles are as strong today as the shackles of his slavery formerly were?

TWO SIDES TO IT.

It ought to be said in behalf of these papers that they do not mean anything bad; they send young men out to get news; and plain facts are never such as will suit a blooming reporter.—Biblical Recorder.

The above is a sentence from an article arraigning the secular press for unreliability. Ever and anon some church paper gets up and delivers a kindred piece of howling. We make the assertion boldly and can prove it by comparison that taken by far and large the secular press is quite as reliable, quite as high-toned, quite as observant of professional amenities and

that its individual papers have a more fraternal spirit than those of the church press.

For the New York World and Journal the secular press has nothing but condemnation. But let it be said that the most saffron hued sheet in New York City is not more contemptible, does not pander more to ugliness than the Independent, a church paper. The Recorder speaks much and well of fraternalism. Lack of it is the crowning evil, the supreme menace. Yet we recall no paper showing less of fraternalism than the Examiner, of the same faith and order as the Recorder.

The opportunities for error in the case of the newspaper are easily a hundred times as great as in the case of the church paper.

The church paper is generally a weekly and has abundant time to sift and verify the material it prints. With ninety per cent. of the material printed by the secular paper verification is impossible. Even the "blooming reporter" is often compelled to take hearsay evidence and in nearly every case, barring the yellow journals, these are responsible for his errors. "Plain facts" and nothing beyond them nine out of ten reporters strive honestly to give.

There is a certain class of canard that never fails to victimize the church paper. This is well recognized among secular papers.

The secular press seldom fails to recognize the noble and difficult work done by the church paper—a work that must be done and that nothing else can do. These occasional attacks upon "the papers" because of the sins of a few individuals come with poor grace from the church press.

Fraternalism should work both ways.

The disgrace and dismissal of De Lome, Spanish minister to Washington, will cause little surprise. He only repeats against the President now an insult which he offered to the whole country years ago.

In the Central American republics the presidency is a sure stepping stone to the hereafter. President Barrios, of Guatemala, is the last to take that route.

The DeLome incident, coming as it does when the belligerency resolution is before the Senate, may result in a vigorous policy toward Spain.

The Report Was False.

The papers made much a few weeks ago over a fatal baptizing over in Virginia. The story went the rounds. Every one believed it; "it was in the papers, you know." Some brother was incredulous, he wrote to an official in the town where the baptizing occurred, and found out that the report was false.—Biblical Recorder.

The Hancock Scandal.

Newbern, Feb. 9.—The Hancock scandal is still the talk of this city, and will be as long as the degraded act stands untouched, and the perpetrator is allowed to mingle with respectable people in an official capacity. This is annoying to decent people and for them to be thrown into association with a rotten character daily because they are unable to avoid it, is deplorable.—News-Observer.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted loss and perhaps fatal bilious fever. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, constipation, dizziness yield to Electric Bitters. 50c. and \$1.00 per bottle at C. E. Holton's drug store.

The Drummer.

Not the drummer now, but the commercial traveler instead; without him the railways would carry 250,000 passengers less each succeeding year, the hotels would be devoid of their best patrons, and would almost be bankrupt, and would be filled up with \$15 boarders.

From the broad Atlantic shores across to the grand Pacific slope, the commercial traveler wends his peaceful way, scattering sunshine, good stories, and the firm's money, over this proud and glorious land.

The wheels of commerce move with lightning rapidity in this day and age, and the commercial traveler plays his part, sharing the fortunes and misfortunes with all, taking the bitter with the sweet.

The commercial traveler of today is quite a different man from the drummer of twenty years ago, and this coming is heralded with pleasure by his numerous customers.

They like to hear him talk, and on each successive trip, are better friends, and are bound by commercial ties that are beneficial to both customer and traveler.

Take the commercial traveler of today, and he is an all-round man, always ready for business, travels late and early, big-hearted, charitable and noble.

May the commercial traveler live long and prosper, and if he should not prosper, it is to be hoped that he won't live very long. —Exchange.

EXPERIENCE

Is a Good Teacher

A VOICE FROM SALISBURY.

Salisbury, N. C., Dec. 4, 1897. From my own experience I have found Mrs. Joe Person's Remedy the best medicine known for building up the health in general. The greatest remedy in the world for dyspepsia, eczema, aches and pains and breaking up colds. Nine years ago I suffered with a chronic cold which resulted in a bronchial affection and repeated serious troubles of the throat, which was alarming. I was affected with something like croup and again and again for years was subject to attacks of laryngitis. I tried Mrs. Joe Person's Remedy and am now free of all those troubles and have been ever since and feel confident the Remedy has made the cure. I have kept it in my family for years and have always found it invaluable for old and young. The extraordinary effect of this grand remedy is sure to be realized by all who give it a fair trial.

Sincerely, MRS. M. E. RAMSAY.

Searched the Boot Blacks.

A colored woman missed her purse
this morning and thinking one of the
flock of little coon 'shiners who loaf
on the sunny side of the Benbow, had
found it, called a cop and had him
search them. The cop went bravely
through the pockets of one after the
other, while the little coon rolled his
eyes in fright. The woman's purse was
found in a baby carriage.

Abundant Repose.

NOT THE SAN JOSE.

Letter to Mr. Van Lindley from Prof.
Massey.

It will be remembered that Mr. J.
Van Lindley and Prof. Brown hunted
Greensboro for the San Jose Scale
and thought they had found it. The
specimens were sent to Prof. Massey,
and the following letter from him ex-
plains itself:

Raleigh, N. C., Feb. 8, '98.

J. Van Lindley, Esq., Pomona, N. C.

Dear Sir:—Yours at hand. I do not
wonder that you and Brown were of
the opinion that the scale was San
Jose, for after two days study of the
specimens, I could not be positive
about it. I told Prof. Withers that
while there were forms that looked
like the young scales I could find no
mature typical scales and preferred
that he send the specimens to Dr.
Howard, at Washington, to see if he
could positively identify them. Mr.
Howard wrote that they were certainly
not San Jose, but were Chionaspis
linteri, a scale had enough but still
not the San Jose and not so much to
be feared. To an ordinary observer
they looked very much like the San
Jose, and it took two days study for
me to feel that they were something
else.

Yours truly,
W. F. Massey.

GORTON'S MINSTRELS.

A First-Class Black Face Show at the
Armory Last Evening.

Gorton's Famous New Orleans Min-
strels gave one of their presentations
of high class black face minstrelsy at
the armory last evening under the
auspices of company M.

The fine noon day parade prepared
the people for an excellent perform-
ance and the armory was crowded.
The many hearty laughs and rounds
of applause which followed the various
numbers gave evidence that the large
audience fully approved of the show
and were delighted with it.—Evening
Telegram, Painesville, O.

The Sherwood Concert.

A well filled house greeted Mr. Wm.
H. Sherwood and his assistants at the
Academy of Music last night.

Without attempting to describe the
playing it covers the ground to say
that the reputation which had pre-
ceded them and which was published
in the local papers, was fully sus-
tained.

Round after round of applause
went up and repeated encores were
responded to. The violin playing of
Miss Davis, the singing of Mr. Ormsby,
the charmingly graceful touch of Mrs.
Merrill as accompanist, the soft, sweet
harmony and enlivening, entrancing
and enchanting music produced from
the piano by Mr. Sherwood, will all
be long remembered by those who were
fortunate enough to occupy seats at
the Academy last night.

Notice To Committee.

moted to the general storehouse at

Analysis.

"Yes," said the young woman, "I
think I shall marry Herbert."
"Well," replied Miss Cayenne, "you
at least have some assurance that
he won't be one of these husbands who
are difficult to please."
"How do you know that?"
"He is so well satisfied with him-
self."—Washington Star.
